## **Every Tiny Star That Twinkles in The Night Sky**

Every tiny star that twinkles  
in the night sky.  
Every drop of morning dew  
Every spark of fire blazing in the furnace  
Every captivating view,  
Every rainbow, in the sky,  
Every pretty butterfly.  
Tells the fascinating news to those  
Who dare to hope, and the message is :  
God still loves the world,  
God still, still loves the world,  
So throw your life into his hands,  
Day by day discern his plans.  
God is passionately busy loving you and me !

He makes all things beautiful in his time.  
Lord, please show me every day  
As you're teaching me your way,  
That you do just what you say in your time.

In your time, in your time,  
You make all things beautiful in your time.  
Lord, my life to you I bring,  
With its winter and its spring,  
May I fathom everything in your time.  
There's a time, there's a time  
Both for sowing and for reaping there's a time,  
Time for losing, time for gain,  
Time for joy and time for pain,  
Every purpose under heaven has a time.  
There are times, there are days,  
Weeks and months we cannot understand God's

ways.

If for years we fail to scan

What is his eternal plan,

We'll remember that he can, all the time.
